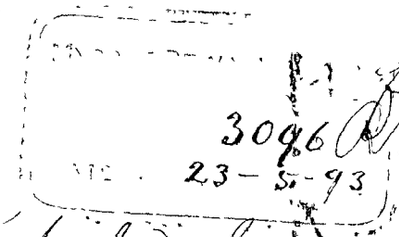
Sir K. Seshadri Iyer Esqr. K.C.S.I
Dewan Bahadur to
Mysore, Bangalore,



Respected Sir

I the undersigned Lighting Inspr. of the Bangalore City Municipality most respectfully beg to bring the following into your benign Consideration hoping that my prayer will be crowned with success.

I entered into the Municipal service on the 16th June 1888 as a temporary clerk and subsequently on 27th January 1890, I was permanently appointed as Light Inspector of the Bangalore City Municipality on Rs 10/per mensem. Copies of orders granted to me in this behalf are herein enclosed for your honor's perusal and information.

2 In the Municipal Budget for year 1892-93, a very strong represen was made to Government of the

necessity of sanctioning an additional Lighting Inspector to the city, inasmuch as the work attached to that office is too much for one man in the large city of Bangalore and as it cannot accordingly be satisfactorily carried out by one Inspector

3 In the face of the above recommendation to Government a resolution was arrived at in the Boards meeting of the 28th February last, of abolishing the office of the Lighting Inspector and, in pursuance of this resolution, have been served with a notice to the effect that my services as Lighting Inspector will be dispensed with from 1st of June 1892 Copy of this notice is also enclosed for your honor's perusal and orders.

4 In recognition of my hard and intelligent work in connection with the Lighting of the whole city, and in consideration of the fact that I managed it very well, myself without a second hand to assist me, provision was made for an increase of Rs 25 to my pay in the Budget for 1891-9

This was sanctioned by Government, but it was not given effect to till now. A similar provision has been made in the current year's Budget, giving an increase of Rs 5/ to the pay of the Lighting Inspector, which has also been sanctioned.

5ᵗʰ Under the foregoing circumstances I most respectfully beg to approach your majesty with a request that orders may be issued to the President of the Municipality for providing me with any other footing in that Department wherein I have put in a service of 5 years and for payment to me of the increase of pay viz Rs 2/ sanctioned by Government in 1891-92.

For which act of kindness I shall, as in duty bound, pray for your honor's long life and prosperity.

I beg to remain
Respected Sir
Your most obedient servant

Sir.

With reference to your No. 20992/242-92 dated 20" instant, I have the honor to state that in the reductions proposed, several individuals will be thrown out. I intend to keep a list of such of them as deserve consideration and provide them on occurrence of vacancies. The petitioners name will be taken on that list. As a single Inspector for the whole City was an inadequate provision as a sufficient provision would cost much and as the Deputy
